Last June, Dick Crawford brought
his twelve month old child, suffering
from infantile diarrhoea, to me.
It had been treated for four months
and had been sickly ever since.
I gave it the usual treatment in such
cases, but without benefit. The child
was then brought to me, and I
began to treat it with Chamberlain's
Colic, Cholera and Diarrhoea Remedy.
Before one bottle of the 25 cent
size had been used, a marked improve-
ment was seen, and in a few days
the child was well. Its weakness and
poor eating habits disappeared, and
it began to thrive. I have since
used this remedy on many other
cases, and have found it to be a
sure and certain cure for all
cases of infantile diarrhoea.
All lines connect with and have
call on sale via the
Cotton Belt Route.

Ayer's Pills
"My husband was subject to severe
attacks of neuralgia, which rendered
his eyes so painful that he was unable
to read or to remain in a room, and
was obliged to wear a dark hood over
his eyes. He was treated by several
physicians, but without success. He
then tried Ayer's Pills, and after
taking a few boxes, he was cured.
I have since used them on several
other cases, and have found them to
be a sure and certain cure for all
cases of neuralgia." - Mrs. M. D. H.
